### **TRANSPORT CONDITIONS:**

Customers are advised that the rolls are delivered to the carrier rolled in nylon bags and protective wooden box which, pursuant to article 1510 paragraph 2 of the Italian Civil Code, *"unless agreed or otherwise used, if the thing sold must be transported by one place to another, the seller is freed from the obligation of delivery by returning the thing to the carrier or to the shipper "*. From this it follows as Pastorelli Sport s.r.l. cannot in any way be held responsible for damage caused to the carpet during transport. The buyer, by signing and accepting this estimate, expressly waives any claim for damages deriving from the transport of the goods.

Transportation takes place with two different couriers. The carpet is transported with a larger truck so it will be necessary to arrange an appointment with the person responsible for opening the place where it can be unloaded. The package containing the adhesive red rolls is generally found inside the smaller carpet roll.

Attention: since the transporter travels alone, at the time of arrival of the carpet, it is preferable to make at least 1-2 people in good health available to facilitate unloading. It is possible to ask the transporter for an additional cost for additional people, which could, however, lead to a slowdown in delivery times. In any choice of carriers, PASTORELLI SPORT is simply an intermediary of services and will not be held responsible when it transfers the good to the transporter.

### **POSSIBLE ADDITIONAL SHIPPING COSTS**

It is advisable to pay particular attention when removing the carpet from the box as abrasions of the carpet could occur due to the possible rubbing of the carpet with the wooden part of the box.

EVENTUAL CARPET CARTS: 62 EURO EACH VAT INCLUDED. A MINIMUM OF 2 CARTS ARE NEEDED.

Attention: it should be noted that the wooden case is intended to better guarantee transport.

### **TERMS OF SALE**

Payment: 30% payment of the entire amount as a confirmatory deposit by bank transfer to confirm the order; remaining 70% of the entire amount by bank transfer (done a couple of weeks before the carpet is shipped).

### **SHIPPING TIMES**

The shipment of the goods will take place within 60 working days from the payment of 30% of the confirmatory deposit. Italian national holidays, the whole month of August, 2 weeks at Christmas and other Italian festivities are to be added to the above-mentioned working days as the lab will be closed. Pastorelli Sport S.r.l. is freed from any responsibilities by delivering the goods to the carrier so that it cannot be held responsible for delays resulting from the technical time of loading, travel and unloading of the courier, which vary according to the type of carrier and the period of the year.
